

Navy College Program Distance Learning Partnership

10 reasons for you to discover Excelsior College

1 Ease of use

We'll deliver your courses online. Your military academic advisors will help you figure out what suits you best. Choose from over 400 online courses. Also, look at our UExcel® exam options to study at your own pace and receive credit by examination.

2 Flexible scheduling

Students can choose between 8- and 15-week courses. With our trimester schedule, terms start six times a year so students can always be on the path toward degree completion.

3 Smooth credit transfer

Excelsior makes it easy for you to transfer your college credits. Earn maximum credits for your military training as you work toward a degree in your military career field. Our goal is to move you toward degree completion, not put up roadblocks.

4 Strong support

The Center for Military and Veteran Education has military academic advisors/admission counselors, many of whom have served, and they can help guide you every step of the way. You can also take advantage of our on-site advisors/admission counselors (located in CA, DC, FL, GA, HI, MD, NC, SC, TX, VA, and WA). You will also find online writing and tutorial services as well as technology assistance.

5 A range of resources

We're always thinking of new ways to serve you and keep you informed. Through our Career Center, we offer valuable intel, strategies, and tools to help you transition to the civilian workforce. Explore careers, refine your resume, learn how to relay your unique expertise to employers, polish your interview skills, and find other resources to make your move a positive and successful one.

6 Choices to consider

We offer several options that allow for maximum transfer of credit toward degree requirements. The Excelsior Course Option waives the application/enrollment fee for those taking 9–15 course credits with Excelsior. The MultiSource Option is designed for students who are transferring all credits required for the degree from outside sources except the Excelsior 3-credit capstone.

7 Always economical

With commuting costs being what they are, distance learning makes great sense. As an Excelsior student, you can take advantage of our college payment plan or federal financial aid. Note, too, that Military Tuition Assistance may cover up to 100% of your tuition costs.

8 Easy to enroll

Just enroll* online – it's that easy. You have two convenient choices: enroll online or download the undergraduate enrollment agreement at excelsior.edu/navy. Once enrolled, you'll work with advisors on your degree completion plan.

*Undergraduate nursing degree programs and all graduate degree programs require an application before enrolling.

9 Occasion to celebrate

Excelsior graduates are invited to attend the annual commencement ceremony held every July in Albany, New York. Alternatively, you might choose to participate in one of the on-site commencements sponsored by the Navy.

10 Invest in yourself

College graduates earn on average 56% more than those whose education ends with a high school degree, according to data compiled by the Economic Policy Institute.

You've made good choices in the past. Joining the Navy was one of them. Now it's time to choose wisely again. Earn your degree through Excelsior College, an experienced provider of distance learning, and leverage your military training to advance in your chosen career field.

No matter where you're stationed or temporarily deployed, Excelsior allows you to proceed with your education at your own pace.

With an alumni base of over 165,600, including 39,000 military servicemembers, we know the Navy well and understand the issues you're facing. We can help you take the next step.
